Trio  
executive  
program

Trio

**B**alance between innovation and quality, comfort and representativeness, these are the main features of Trio

**The structure splits into 2 parts and becomes a working table top hanging on the service unit with a suitable mechanism, enlarging the executive layout ranges and diversifying the possible composition on spaces.**

**T**ech moden style for a composition with extension that expersses a strong personality in its characteristics

**T**rio comes in range of configuration and material option, the level of attention to detail make Trio extraordinary
